BARRIE  
**FALL FISHING FESTIVAL**  
2023

[huroniarotary.org/bfff](http://huroniarotary.org/bfff)

Held once again on Beautiful Kempenfelt Bay, the event runs from Sept. 22 to Sept.30, 7am-7pm and the morning of Oct. 1st 7am to 11:59 am. The closing ceremonies start at 1pm Oct 1st . Daily registration is available at the Barrie Sea Cadet Building (near the Spirit Catcher).

### *ABOUT THE BARRIE-HURONIA ROTARY CLUB*

Now into it's 10th year, the Barrie Fall Fishing Festival has become a must do activity of the fall season in Simcoe County. Families and individual anglers of all ages and skill levels are invited to take part in the 10 day event. The festival is an exclusive event for the Barrie-Huronian Rotary Club and serves to attract more people to the sport of fishing, educate about Kempenfelt Bay's environmental importance, and a tool to raise money for community projects conducted throughout the year.

By Partnering with the Barrie-Huronian Rotary Club, in Sponsorship of this Annual event celebrating the beautiful Barrie waterfront, you are joining with other like-minded community members in your support of deserving community projects. 100% of all monies raised from all of our fundraising goes into our community and international projects.

With your sponsorship of this event, you and your company are joining many others by contributing back to the local community through one of the many Rotary fundraising events.

Through Rotary's Community Service we put on various events, throughout the year, to raise funds and provide major financial support to projects such as RVH Rotary House, Hospice-Simcoe, and the Georgian College Wellness Centre. Rotary contributes to many Initiatives that assist in the greening of our community and we also provide assistance to local individuals at a time when they and their families are in need.

Through Vocational Service we give back to our schools with initiatives in our elementary schools, high schools and Georgian College.

Through International Service, we have been working to eradicate Polio, worldwide, for more than the last 30 years. We are very close to completely eradicating Polio.

*Revs Your Heart*

### REGARDLESS OF YOUR AGE, THE STANLEY TILLER WILL LAST A LIFETIME.

This prize package starts with a Stanley aluminum 16' wide body boat with multiple consoles. The Stanley boat is compact in size but boasts the same heavy-duty construction features as our larger models. Ideal for the cottage or camp, easy to trailer, and the boat is small enough to navigate inland lakes and waterways but built to perform in big water too.

Equipped with a 20" transom, this boat is rigged with a powerful and sleek 30 HP Yamaha outboard motor. Standard features include welded gunwales, lifting strakes, keel guard, paddle holder, and tie-down cleats. Although the boat falls under the tiller category it is a "dual console with windshields with grab bars, folding deluxe swivel fishing seats, rotary steering and Yamaha electric start with power tilt and adjustable trolling speed F30 outboard".

This package is set on top of the sturdy LoadRite trailer built with detail and quality that will last for years.

Your grandchild will drive this boat one day and you can feel confident knowing the Stanley's fully welded all aluminum construction makes it a safe and solid choice for the whole family.
